
Safety Data Sheet dated January 8, 2013, version 6

1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

Trade name: Yucca Plus powder

Trade code: YPP-01

Animal Feed Material

Supplier:

Baja Agro International S.A. de C.V.

Privada Kino Este 100-1-A, Parque Industrial Misión

Ensenada Baja California, México. CP 22830

Emergency telephone number: +52 (646) 177 0475

Fax number: +52 (646) 177 0547

2. COMPOSITION/INFORMATION ON INGREDIENTS

Hazardous components within the meaning of EEC directive 67/548 and corresponding classification:

Yucca schidigera pulverized dry stems 100%

Regulation No 1831/2003 (Official Journal L 268 , 18/10/2003 P. 0029 - 0043)

3. HAZARDS IDENTIFICATION

No specific hazards are encountered under normal product use

4. FIRST AID MEASURES

Contact with skin:

Remove contaminated clothing. Wash affected area with water. If irritation occurs, seek medical advice.

Contact with eyes:

Flush with water on exposed areas. Seek immediate for medical attention for eyes

In the event of accidental ingestion, rinse mouth with water. Obtain medical advice

5. FIRE-FIGHTING MEASURES

Recommended extinguishers:

Treat as a class A fire; use water, spray or fog in dust areas

Extinguishers not to be used:

None in particular

Risks arising from combustion:

Avoid inhaling the fumes

Protective equipment

Use protection for the respiratory tract.

6. ACCIDENTAL RELEASE MEASURES

Measures for personal safety:

Respiratory protection: Use NOISH approved respirator

Protective glove: Not required

Environment measures and cleaning methods: Small spills can be removed by vacuum cleaning; avoid use compressed air to blow off dust or spills. Remove larger spills with pan using gentle brushing technique.

7. HANDLING AND STORAGE

Handling precautions:

None in particular

Storage conditions:

Keep in a dry and temperature room place

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Respiratory protection:

Not needed for normal use

Protection for hands:

Not needed for normal use

Eye protection:

Use goggles

Protection for skin:

Not special precaution must be adopted for normal use

9. PHYSICAL AND CHEMICAL PROPERTIES

Contents	<i>Yucca schidigera</i> powder
Appearance	Free flowing powder
Color	Light beige
Odor	Sweet
Density	550 – 650 g/L
pH (10% AQ solution)	4.0 ± 0.5
Toxicity	Non toxic
Shelf life	Min 48 months at room temperature
Heat stability	Excellent
pH stability	Excellent
Packaging	25 Kg. carton boxes

10. STABILITY AND REACTIVITY

This product presents no significant reactivity hazard. It is stable and will not react violently with water. Hazardous polymerization will not occur. There are no specific conditions to avoid.

11. TOXICOLOGICAL INFORMATION

This product does not contain toxicologically relevant substances

12. ECOLOGICAL INFORMATION

Adopt sound working practices, so that the product is not released into the environment.

13. DISPOSAL CONSIDERATIONS

Recover if possible.

Waste disposal method: Incineration or sanitary landfill in accordance to local, state and federal regulations.

14. TRANSPORT INFORMATION

Not classified as dangerous in the meaning of transport regulations

15. REGULATORY INFORMATION

The product is non dangerous
